Major Course Themes

- The Arab minority constitutes more than 20 percent of Israel’s population.
- How does the Israeli-Arab conflict impact the Arab-Palestinians’ national identity?
- What’s the strongest component in their self-distinction: Palestinian? Israeli? Muslim? Christian?
- What led to the rise of the Muslim Brotherhood movement inside Israel?
- How integrated is the Arab-Palestinian minority in Israeli society politically, economically and socially?
- To what extent can it destabilize Israel from within?
